
Title: Toys to be Broken

Author: Pencil

*Within is a drawing of
two larger than life
figures holding two
smaller figures placing
them on a large
checkered board.

The first man has long
dark hair, wears a stony
expression and a crown.
He is garbed in black and
gold.

The figure he holds is a
woman in a white dress
and veil. Her eyes are

closed and she has a dog
on a leash with her.
Chains hang off of her
wrists and neck.

The second larger than
life figure is a man in a
clean, white mask. He is

dressed in rich clothing.

The figure he holds is a
dark haired young woman
on her knees. Her arms
are positioned as though
cradling a child, but they
are empty.

A chain hangs from her
neck and manacles adorn
her wrists.

There are stacked piles
of gold in the squares of
the game board.*
